Sir,

I have the honor to state that on the

transfer of the Nagar Taluk Kutcherry to Kallurkatte, a Dispensary will have to be opened at the latter place. The question as to whether the Dispensary located at Nagar might be transferred to Kallurkatte, is one for immediate decision. I have consulted the Taluk Amildar and ascertained the public opinion on the Subject. The towns-people of Nagar & the inhabitants of the villages thereabouts are unanimously of opinion that the Dispensary now located at Nagar should not be transferred to Kallurkatte. The town of Nagar and the country round about being very unhealthy, it would rather be inadvisable to deprive the people of the Medical aid, which they are enjoying from a very long time. I would therefore recommend that new Dispensary be opened at Kallurkatte allowing the one at Nagar to remain in that town. As the question requires early attention I beg you will

Kindly Submit the Same for the orders of Government through Senior Surgeon and Sanitary Commissioner
